ASSISTANT CHIEF AQUATIC AND WILDLIFE RESOURCES

NATURE OF WORK:

Assist the Chief in administering all programs and activities associated with the Division of Aquatic and Wildlife Resources.

Duties may be assigned in full or part depending on workload and best management principals.

ILLUSTRATIVE EXAMPLES OF WORK: (Any one position may not include all the duties listed, nor do the examples cover all the duties which may be performed).

- Assist in the daily long term management of the three sections of the Division of Aquatic and Wildlife Resources, (Fisheries, Wildlife and Law Enforcement) at the personnel programmatic, budgetary, and policy levels.

- Provides direct operational oversight of Division activities for review and analysis at the management level.

- Assists in fulfilling local mandates as well as maintaining fiscal and program compliance for all federal funds received.

- Assists in the review of proposed scientific work on aquatic and wildlife species and impacts to species and associated habitats.

- Assists in evaluating research planning and it’s effectiveness.

- Keeps abreast of laws and regulations (federal and local) as they pertain to fish and wildlife programs and staff.

- Prepares, reviews and submits grants seeking funding for aquatic and wildlife resources.

- Conducts research, completes analysis, and writes scientific reports consistent with accepted professional standards.

- Represents division and department in writing and orally at meetings and public forums including newspapers, radio, and television interviews or presentations.

- Responsible for hearing and resolving employee complaints or relation problems and/or provides advice, counsel, instruction, supervision, and recommendations on formal resolutions.
Reviews Work Planning and Performance Evaluation of employees and counsels them on measures to improve performance.

Approves leave request, and may modify section supervisor’s and staff schedules to provide for the efficient function of the Division's operations.

**MINIMUM KNOWLEDGE, ABILITIES AND SKILLS:**

- Knowledge of laws and regulations both local and federal as they pertain to aquatic and wildlife programs.
