Amendment IV
FY2023 Government of Guam Group Health Insurance Program
Request for Proposal DOA/HRD/EB-RFP-GHI-23-001
(RFP)

This is in reference to the Government of Guam's Request for Proposal DOA/HRD/EB-RFP-GHI-23-001 issued on May 19, 2022 for the Government of Guam Group Health Insurance Program.

This is a clarifying inquiry and response for Exhibit G and Exhibit E of the aforementioned RFP:

1. Exhibit G: Affidavits Form A, Form B, Form C, Form D, Form E, and Form F did not provide a section for notary public signatory and seal. Please include the following at the bottom of Exhibit G Affidavit Forms:

Subscribed and sworn to before me

this ___ day of _____, 202__.

 NOTARY PUBLIC

My commission expires _____, _____.

2. Exhibit E: Is it safe to assume that the inpatient facility category is inclusive of all fees for any admission including professional fees?

RESPONSE: The purpose of the detailed claims split is to help GovGuam understand the factors driving your bid. It was not intended to create new reporting requirements in a short time frame. If possible, we would prefer to have professional fees recorded under the "Specialist Physician" and "Primary Physician" lines. If your data doesn't allow this, please include professional fees associated with inpatient care in a manner that is consistent with your internal reporting and include commentary in your response to explain where you included it.

All other portions of the abovementioned RFP remain unchanged
