Welcome to Your FY2027 Health Plan

We are pleased to serve as the Third Party Administrator of the Government of Guam Self-Insured Health Plan for FY2027, and to be your Pharmacy Benefit Manager as well, administered through OptumRx. With both your medical and pharmacy benefits managed together, you'll enjoy a seamless and coordinated experience.

The Plan is self-insured by the Government of Guam. This packet will help you understand the benefits available to you, how to use them, and how to enroll.

Your FY2027 Plan Choices

During FY2027, employees and retirees may choose from two medical plans:

HSA2000

PPO1500

Retirees have an additional option: the **Retiree Supplemental Plan (RSP)**.

Retirees enrolled in Medicare Parts A and B must enroll in the RSP.

Retiree Supplemental Plan

Enrolling Is Easy

We've made open enrollment as simple as possible with our online enrollment tool. Visit enroll.calvos.net/govguam or scan the QR code to submit your enrollment information and upload any supporting documents (birth certificates, domestic partner affidavits, court-approved legal guardianship, and the like) — right from your desktop or mobile device.

Through www.calvos.net, you can download your member ID card, view your claims, upload documents, download forms and handbooks, and manage your deductible. You can also manage your prescriptions through the OptumRx website and use the Provider Finder tool on the UnitedHealthcare website — both linked from www.calvos.net.

- Married or unmarried dependent children under the age of 26 years.
- Biological Children

Becoming a Member (cont.)

Enrollment Period

You may elect to enroll on any of these occasions.

- Annual Open Enrollment Period.
- Initial Employment. You may enroll within 31 days from the date you first become eligible to enroll in the plan.
- Initial Retirement or Survivor of Retiree: You may enroll within 31 days from your effective date.
- Special Enrollment Periods: Full-time employees and their eligible dependent(s) may enroll outside of open enrollment as a result of a Qualifying Event as defined by H.I.P.A.A. Under H.I.P.A.A. a Qualifying Event is an event that causes you to lose coverage in another health plan due to:
 - You or your spouse's employment status change
 - Loss of eligibility as a child dependent
 - Divorce or end of Domestic Partnership
 - Death of the employee/primary policyholder
 - Medicare or Medicaid eligibility ends

A Special Enrollment opportunity also occurs if you acquire a new dependent through:

- Birth or Adoption.
- Marriage.
- Legal Guardianship.

Enrollment Applications or Change of Status (COS) Forms and any required documents must be submitted within 31 days following a Qualifying Event. If you have lost coverage in another health plan due to a Qualifying Event, you are also required to submit a H.I.P.A.A. Certificate of Creditable Coverage from your previous plan. Your previous plan is required to issue a H.I.P.A.A. Certificate to you in a timely manner.

Your coverage will begin on the first day of the next Premium Period from submission date following receipt of your Enrollment Application by Calvo's SelectCare.

Adding Dependents and Changes to your Coverage

You are able to enroll your new dependent(s), if you get married, obtain court-appointed legal guardianship, adopt a child or have a newborn baby as long as they meet the eligibility requirements. Coverage begins on the first day of the next Premium Period from submission date, however, coverage for newborn dependents begins at birth, and coverage for adopted dependents begins on the actual date of custody of the dependent.

If you do not enroll your dependents within the 31 day period from when they first become eligible, you would have to wait to enroll them during the next Open Enrollment Period.

To add dependents, you, as the subscriber must notify Calvo's SelectCare in the following manner:

- Complete a "Change of Status" Form (COS),
- Complete a "Health Statement" Form (when required by the plan),
- Submit all Required Documentation as outlined above,
- Make your request within 31 days of your dependent first becoming eligible.

Enrollment Lock-in Notice

Once enrolled in a health insurance plan under GovGuam, subscribers and their enrolled dependents are subject to a lock-in provision. This means:

- Coverage cannot be canceled or changed outside of the annual Open Enrollment (OE) period. Some exceptions apply.

Please note that enrollment in another health insurance policy does not qualify as a life event and will not allow cancellation of your current coverage outside of OE.

All requests for changes due to QE or SEP must be submitted with supporting documents within 31 days from the effective date for review.

Updating Your Information

Your Enrollment Application contains pertinent information. This information is very important because it identifies you and your dependent(s) as eligible members. Please inform our Customer Service Department or your H.R. Department immediately of any error on your Member ID Card or any changes in name, address, phone numbers or email address.

If you receive a card and did not enroll, please report it to customer service and D.O.A./HR

Other Insurance

Please submit a copy of your other health insurance ID card for coordination of benefit purposes (to include Medicare).

Coverage under the GovGuam Self-funded plan is limited to one plan per Employee and Dependents. Coordination of coverage between two or more GovGuam Self-funded policies is prohibited.

 - Call us at 671-477-9808
 - Email to service@calvos.com
 - Send us a message through your online portal at www.calvos.net
 - Complete an online appointment request at appointment.calvos.net
- You will be required to complete our Off-Island Appointment Request form and provide our office with your medical referral and medical records
- You must also hand-carry your referral, complete medical records and compact discs of diagnostics images or Pathology slides, as listed below in the Required Documents section
- It is not advisable to purchase airline tickets without a confirmed off-island doctor's appointment

Required Documents

- Off-island medical referral from your local doctor.
- Medical Records related to your illness. You will likely need to bring these records with you to present to your off-island provider.
 - Copies of diagnostics tests such as Ultrasound, X-Ray, MRI, CT Scan, Biopsy Reports, Pathology Slides, Angiogram CD, and any other pertinent records.
 - Most Recent Blood Tests/Laboratory/Pathology and other diagnostic procedure results.
 - If you were recently discharged from a hospital, please bring the Discharge Summary, Laboratory Results, and any Operative Reports.
- Completed Calvo's SelectCare form authorizing us to receive health information from your off-island provider.
- Calvo's SelectCare Member ID Card and a picture ID.
- Please allow us time to review your request, generate the necessary paperwork, and confirm acceptance by a physician and/or facility. Most delays in processing are due to appointment unavailability, changes in schedule, and/or incomplete records. All appointments are subject to provider and facility availability and there may be a waiting period until your scheduled appointment.

- A Guam Memorial Hospital Social Worker may provide assistance for Hospital-to-Hospital transfers, so please communicate with them as they have standard procedures and protocols for Hospital-to-Hospital transfers.
- When a referral packet is ready, we will call you for pick-up. Anticipate and allot 30 minutes of your time to review the off-island referral packet and sign any necessary documents.

Additional Information and Suggestions

- **Passport:** It is recommended that you always have a valid passport with more than 6 months prior to its expiration. This document is necessary to travel and seek care with our providers outside the United States, especially in cases where a medical transfer or evacuation is necessary.
- **Advanced Health Care Directive – aka Living Will:** You should set up a personal directive, advance directive, or advance decision, or living will. This is a legal document in which a person specifies what actions should be taken for their health if they are no longer able to make decisions for themselves because of illness or incapacity.
- For travel and lodging arrangements, you should register and coordinate with the Guam Medical Referral Office on Guam (671-475-9350) or their satellite offices in the Philippines, Hawaii and California as they may be able to assist you with lodging and travel arrangements.
- Completed Fitness for Travel Forms may be required by the airline and must be obtained from your referring physician prior to 10 days of departure and forwarded to the airline for their review.
- Please verify with the attending physician if oxygen is needed during the trip and during any layovers. If required, please coordinate with the Guam Medical Referral Office to make arrangements.
- Wear comfortable clothing and footwear when undergoing physicals.
- Your Calvo's SelectCare plan only pays for covered medical services, aside from applicable deductibles, Co-Insurance, or Co-Payments, you should also be prepared to pay for any items not related to your care, such as phone calls and comfort items. Payments must be made at the time of service or at the time of discharge from the hospital. We suggest bringing extra money or credit cards in anticipation of such expenses.
- Please obtain receipts for any payment you may make for your covered medical care and submit them to our office no later than 120 days from the date of service.
- Be sure to bring back all medical records and reports related to your off-island care and present to your local provider to help in the continuity of your care.
- It is recommended to bring along a companion.

Whenever you want someone else to communicate with Calvo's SelectCare to coordinate your referral (e.g. spouse, companion, Guam Medical Referral Office, etc.), you must sign our form authorizing us to release Protected Health Information (PHI) to anyone acting on your behalf. Verbal authorizations are not accepted.

- If you lose your coverage for any reason at any time during your off-island care, you will be required to reimburse Calvo's SelectCare or any providers for charges incurred beyond the insurance coverage period.
- **Coverage for dependent child or children residing in the Continental USA:** We will extend coverage to an eligible dependent child or children residing in the Continental USA through the UnitedHealthcare network. We recommend that you or your dependent child identify and select a medical provider by accessing the UnitedHealthcare website: us1.welcometouhc.com Once a provider is identified, it is advisable that you inform us, so we can issue a coverage letter to your child and the provider. This will improve the manner in which your dependent child or children access care. It is also recommended that you check with the provider regarding his or her participation with the UnitedHealthcare network, as their participation status may change.
- **Please make sure that you, your next of kin, or medical provider contact us within 48 hours for the following:**
 - Hospital Admission
 - Outpatient Surgery
 - Emergency Room Visit
 - High Level Diagnostic Testing such as MRIs or CT Scans

Failure to do so may result in becoming financially responsible for charges.

Through challenging times and the complexities of navigating healthcare, Calvo's SelectCare remains committed to being there for our members when they need us most.

We would like to share some of the comments that our members expressed about our team and the reliability of our services that Calvo's SelectCare provides.

"Since at least 2016, Calvo's SelectCare has provided my family and me with steady, professional guidance in navigating both on-island and off-island health care. When it comes to health care, details matter, follow-through matters, and having a team you can rely on matters. I have especially valued the responsiveness, personal attention and willingness to help when questions or concerns arise. Navigating health care can sometimes be complicated, particularly when off-island care is involved, and having knowledgeable guidance throughout the process provides important peace of mind. Over the years, that dependable support has made a meaningful and positive difference for my family and me."

P. Long Diego, MPA

"I have been a loyal client of SelectCare for many years and look forward to continuing that relationship for many more. When I faced an unexpected health crisis, the SelectCare team made my off-island referral seamless and stress-free. Their prompt response, professionalism, and genuine empathy provided reassurance during a very difficult and uncertain time.

Their compassion and willingness to guide me through the process made a significant difference and gave me peace of mind when I needed it most. I am truly grateful for the exceptional care and support I received from SelectCare and remain confident in my decision to be a long-term client."

J.R. San Nicolas

"I have had an excellent experience with Calvo's SelectCare and truly appreciate the exceptional level of service and support provided by the entire SelectCare team. Their excellent customer service, both here in Guam and in the Philippines, has made a tremendous difference, especially when seeking assistance while traveling or receiving care off-island. The SelectCare team has consistently been professional, responsive, courteous, compassionate, and helpful whenever I have needed assistance or had questions regarding my health insurance benefits. It gives me great peace of mind knowing that wherever I may be, I can rely on a team that genuinely cares about its members and works hard to make navigating healthcare as smooth and stress-free as possible. I am truly grateful for the outstanding service and support I continue to receive from Calvo's SelectCare and would confidently recommend them to others."
